Dansco Folders

Bound in simulated leather, beautifully gold stamped to furnish a truly luxurious setting for your coin collection. Ports are the exact size of the coin, holding the coin securely by friction. Ports are inscribed with the year, mint and number of millions of coins minted.

The Deluxe "All in One" Coin Album is of a lie-flat construction making it easy to insert the coins into the ports. It opens out to allow inspection or display of your coins from beginning to the end without having to turn the pages
