PACKETS — COUNTRY COLLECTIONS

Remember when country collections (packets) were the easiest and most economical way to build a collection? At Subway it still is. The packets listed here are priced 20%, 30%, even 40% below most retail prices - and - with our special discount schedule on purchases over \$500 you will save still more. Stamp packets are not returnable. Composition of packets are pre-determined and may include mint, used or a combination of mint and used all different stamps. Orders cannot be accepted for mint or used stamps only. Please list alternate choices in case first selection is out of stock.
