Michel Zeppelin & Airmail Specialized 2017

This NEW Hardcover Edition is over 500 pages and is the first new edition in over 14 years! It covers the following areas:

- Zeppelin section with trips of all large air ships divided into stages.

- Army and naval airships;

- American airships, State Treaty.

- Flight mail with a pioneer flight mail as well as initial and inauguration flights of scheduled air traffic in Germany between 1919 and 1945;

- Presentation and evaluation of airmail stamps, cataloging of semi-official flight and airmail stamps.

- Installation and cataloging of German airmail stamps until 1945.

- More than 100 years ago, the announcement of the Zeppelin was a small sensation and even today the huge airships fascinate the people - even in postal and philatelic territory! Especially in the first decades of the 20th century, documents and stamp markings document the first steps into a new era of passenger and bulk goods traffic.

- Over 1700 illustrations and 8000 price quotes

Edition: 3rd edition, new in color

Pages: about 512
